

Marymount Student Named Scholarship Semi-Finalist

Ada Dot Hayes, senior at Marymount Palos Verdes, has been named a semi-finalist in the 1959-60 National Merit Scholarship Competition, school officials announced today.

Miss Hayes, daughter of Mr. and Mrs. Rex Hayes, formerly of Hollywood Riviera, out-scored over 550,000 competing students to win her position as a semi-finalist. She has been a South Bay resident for many years and a Marymount student since her high school freshman year.

MISS HAYES is one of the highest scorers on the National Merit Scholarship Qualifying Test, the nationwide test of educational development given in over 14,500 high schools last spring.

Miss Hayes now faces another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further confirm her high score on the NMSQT. This second test will be given in testing centers throughout the U.S. on Dec. 5, 1959. Those who repeat their high scores on this second test will become finalists in the competition.

AS FINALIST, she will be eligible for scholarship awards sponsored by an estimated 100 business and industrial organizations, societies, foundations, individuals and the National Merit Scholarship Corporation itself, which conducts the annual nationwide competition. Merit Scholarship sponsors have included such nationally-known names as The Sears-Roebuck Foundation, International Business Machines Corp., Shell Companies Foundation, Inc., National Distillers and Chemical Corp., The Pittsburgh Plate Glass Foundation, Lilly Endowment Inc., Arkansas Opportunity Fund, The B. F. Goodrich Fund Inc., The U. John Co., Edwin T. Meredith

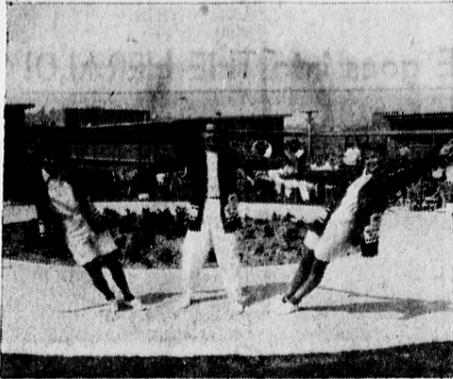

Foundation, F. W. Woolworth Co., Time Inc. and many others.

IN THE FINAL phase of the competition, high school grades, extra-curricular activities, school citizenship, and leadership qualities of the students will be evaluated along with the scores of the tests.

All finalists will receive Certificates of Merit attesting to their high ability; and all colleges and universities will be notified, thus enabling these students to be considered for a wide range of other awards.

Finalists designate the college they wish to attend, and the course of study they plan to pursue, leading to one of the usual baccalaureate degrees.

The Merit Scholarship Program is now in its fifth year. It was founded in 1955 with grants of \$20 million from the Ford Foundation and \$500 thousand from the Carnegie Corp. of New York. Sponsors have thus far awarded over \$15 million worth of scholarships.

PEP PROMOTERS . . . Two gals and a guy make up the cheerleading squad for the Spartans at South High this year. Shown here (from left) are Marie Acosta, Pat Pisciotto, and Paige Bailey. The leaders have been busy teaching new yells to the Student Body and promoting school spirit at pep rallies.

Southern Sighs By Carolyn Waddingham South High School

The annual staff has been working very hard in preparation for their pre-annual sale to be held Oct. 19-30. One dollar deposit will hold the annual for delivery in June. A secret rumor tells us that the annual this year is going to be better than ever.

YESTERDAY our Pep Squad traveled to Beverly Hills for the first Pioneer League rally where they had a nice time and met people from the other schools in our league.

Tuesday, Oct. 6, we were honored to have three members from the Culver City Student Senate visit our Student Council meeting. Before the meeting they were conducted on a tour of the campus and given a free lunch. The exchange of ideas that took place

greatly benefited both schools

FIVE OF our Student Council members attended the first Pioneer League forum at Beverly Hills High School on October 7. They discussed common problems among all of the league schools and brought back some useful information on the Pioneer League that South High is a member of for the first year.

Next Tuesday members of the Speech Club and other interested South High speakers will enter the school finals of the annual "I Speak for Democracy" Contest. It promises to be quite successful as the members have been working on their speeches for quite some time now.

South High is very proud to have the opportunity to inform the community of our activities and hopes that this will lead to a better understanding of our activities.

Talk on Talents Scheduled for Seaside Church

The sermon topic for the next Sunday Seaside Community Church is Talents for the Kingdom. The Church school adult class is gaining an understanding of the whole book of the Bible by using Bernhard Anderson's "The Unfolding Book of the Bible."

This class meets at 9:20 at the regular children's church school hour. Baby sitting will be provided for children during this time and during worship service at 10:45.

Working in conjunction with the sermon topic Talents for the Kingdom and Christ Work Day, the Youth Fellowship of the church is having a public car wash on Saturday, Oct. 17. It will be held at the parsonage at 5342 Sharynne Lane. The donations for this worthwhile project will go to various church projects sponsored by the Youth Fellowship.

Everyone is invited to bring their dirty car and join the fun from 8 a.m. to 3 p.m.

B of A Plans New Facility In Torrance

The fast-growing Torrance and South Bay area will soon have another banking office. Bank of America announced this week it expects to open a new branch at Carson and Main Sts. about the middle of next year.

Ira E. Ogden, vice president at the bank's Los Angeles Headquarters, said the bank has ground leased space in the new shopping center at the southeast corner of the intersection. Plans are being drawn for a \$275,000 ground floor and mezzanine building, which Ogden said will incorporate the very latest in "customer designed" banking facilities. All metropolitan banking services will be offered.
